

## KURANDA - including SCENIC TRAIN & SKYRAIL

*There's not a postcard around that can capture the beauty you'll witness onboard the Kuranda Scenic Railway.*

For one and a half fabulous hours, you'll travel onboard historical carriages through some of the lushest rainforest, pass deep gorges, rugged mountains and the spectacular waterfalls.

Kuranda has a diverse mix of vibrant shops, famous markets and local artists. Here you will have free time to wander through the beautiful rainforest setting and watch artists at work. Approx. 90 stalls provide an original range of handmade local arts & crafts plus Australian opals, gemstones, crocodile and kangaroo leather goods.

*Relax and enjoy the tropical delights at one of the local restaurants and cafes. Visit the many nature based attractions in Kuranda, including the butterfly sanctuary, native birds and the magnificent Barron River. Take a safari tour or a river cruise. Discover some rich Aboriginal heritage as they share part of their 60,000 year history with you.*
